Clothing & Trek Essential

Cap / Hat

- ✓ Protects from sun exposure
- ✓ Keeps you cool
- ✓ Reduces glare & improves visibility

Note:
Either bring a hat or a p cap. If you bring a P-cap, it should be one that covers the neck.

Trek The Himalayas

Woollen Cap

- ✓ Retains body heat and prevents heat loss from the head
- ✓ Protects ears from cold winds
- ✓ Essential for early mornings and nights

Trek The Himalayas

2 Neck Gaiter (1 Synthetic + 1 Fleece)

- ✓ Protects neck from sun, wind, and cold
- ✓ Prevents dust inhalation
- ✓ Adds extra warmth when needed

Trek The Himalayas

2 Quick Dry t-shirt

- ✓ Keep sweat away from the body
- ✓ Dries quickly to prevent chills
- ✓ Keeps you comfortable during long hikes

Note:
Bring full sleeves t-shirt, if not possible than bring in the combination of full and half sleeves

Trek The Himalayas

1 Warm Fleece t-shirt

- ✓ Provides insulation in cold weather
- ✓ Lightweight yet warm
- ✓ Ideal as a mid-layer

Trek The Himalayas

1 Fleece Jacket / Woollen Sweater

- ✓ Traps body heat effectively
- ✓ Breathable and comfortable
- ✓ Good layering option under outer jacket

Note:
Fleece jacket is highly recommended

Trek The Himalayas

1 Feather Jacket / Hollow fill Jacket

- ✓ Lightweight but very warm
- ✓ Provides high insulation in extreme cold
- ✓ Essential for high-altitude treks

Note:
Feather Jacket – light, compatible and expensive

Hollow fill Jacket – Bulky, heavy and cheap

Trek The Himalayas

1 Pair of Thermals

- ✓ Base layer to retain body heat
- ✓ Worn inside clothes for insulation
- ✓ Keeps you warm during nights

Note:
Never wear thermal while trekking

Trek The Himalayas

2 Trek Pants

- ✓ Quick-drying and breathable

Trek The Himalayas

Note:
Do not bring jeans and cotton fabric

1 Fleece warm pant / wind stopper pant

- ✓ Micro fleece from inside
- ✓ Should be good warm one

Note:
Highly recommended for high camp and on summit day

2/3 Pair Trekking Socks

- ✓ Prevent blisters and friction
- ✓ Keep feet warm and dry
- ✓ Provide cushioning support

Trek The Himalayas

1 Pair Warm Socks

- ✓ Woollen or Marino woollen
- ✓ To keep your feet warm in height

Trek The Himalayas

Note:
Use only at the campsite and while sleeping

Trekking Shoes

- ✓ High Ankle, water repellent
- ✓ Provide ankle support and grip
- ✓ Protect feet on uneven terrain Reduce risk of slips and injuries

Trek The Himalayas

Sandals With Straps

- ✓ Comfortable for campsite use
- ✓ Allow feet to breathe
- ✓ Useful for water crossings

Trek The Himalayas

Warm Waterproof Gloves

- ✓ Protect hands from cold and snow
- ✓ Keep hands dry in wet conditions
- ✓ Essential in extreme weather

Trek The Himalayas

Essentials

Trekking Backpack

- ✓ 50 litre Backpack with rain cover
- ✓ With comfortable shoulder straps
- ✓ Large plastic bag to keep your stuff dry

rek The Himalayas

Day pack

- ✓ 25-30 ltr to carry the trek essentials
- ✓ Compulsory for trekkers who offload there bag pack

The Himalayas

Offloading

1. The total weight of your bag must not exceed 11kg. If it does, a double baggage fee will apply.

2. Do not keep any breakable material in your offload.

3. Please Carry either a duffle bag or rucksack

4. Trolley bags or any Luggage with wheels and handle are not permitted.

Trek The Himalayas

Note:
Extra luggage can be left at the base.
Free locker facilities are available.

Items to be left at the base must be packed in a proper luggage bag. Loose items or plastic bags will not be accepted.

Trekking Pole

- ✓ Improves balance and stability
- ✓ Reduces pressure on knees
- ✓ Helpful on steep ascents/descents

Note:
You may trek with or without a trekking pole, however we strongly recommend carrying at least one trekking pole, as it offers valuable support during both ascents and descents

2 Water Bottles

- ✓ Keeps you hydrated during trek
- ✓ Reusable and eco-friendly
- ✓ 750ml /1 Litre – Thermo flask (mandatory)
- ✓ 1 Litre - Normal/Plastic Water Bottle / Hydration pack.

Note:
You can also customize your name on the thermo flask

Sports UV Protected Sunglasses

- ✓ Protect eyes from harmful UV rays
- ✓ Protect eyes from snow blindness

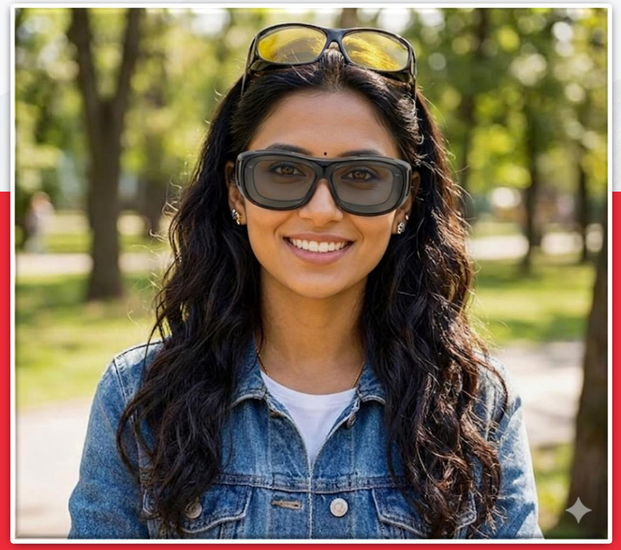

For Trekkers Who Use Prescription Glasses

Option 1: Choose oversized sunglasses that can be worn comfortably over your regular glasses.

Option 2: Buy sunglasses that support prescription glasses.

Option 3: Get your current sunglasses lenses replaced with prescription lenses.

Option 1

Option 2

Option 3

Head Torch

- ✓ Provides hands-free lighting
- ✓ Essential for night use
- ✓ Useful inside tents and campsites
- ✓ Carry extra 1 pairs of batteries according to your head torch

Note:
Recommended head torch brightness: minimum 100–150 lumens.

Rain Poncho

- ✓ Protects you and your backpack from rain
- ✓ Quick to wear during sudden showers

Trek The Himalayas
